

Scriptwriting

Course outline

Course Tutor:

JAMES DOHERTY

Course Content:

This one-day course will provide a detailed introduction to writing for television drama. It will provide an outline, focus and the tools necessary for you to take your script to screen.

Programme

- Characterisation,
- Developing plots
- Marketing your work for broadcast

What you should bring with you:

No requirements. NUJ Training computers will be available, and memory sticks will be provided with resources and to store course notes/completed course work to take away with you.

Qualifications:

No formal qualifications required.
