## TRAINING SESSION

**COURSE:** Factchecking  
**DURATION:** 1 session of 120 minutes  
**TUTORS:** **Alastair Brian**

### OUTLINE:

The 2 hour session starts with learners being asked to do a bit of background checking on an organisation who undertake fact checking work, then some examples of using fact checking/verification tools which are available and easy to use. Then we go through a true life check that has been undertaken by The Ferret, showing the process.

Session finishes with an example claim for participants to fact check using the skills taught.
